### Wednesday is InRegister™ day

Editor's Picks features selected highlights from AMERICAN PRINTER's InRegister™ newsletter. InRegister is published on alternating Wednesdays. For a free subscription, see [www.americanprinter.com](http://www.americanprinter.com). Want to comment on something in this issue? Drop us a line at [KOB@americanprinter.com](mailto:KOB@americanprinter.com). We look forward to hearing from you!

### Pick a card, any card

More than one billion Z-Cards have been produced around the world. Z-Cards use a double-accordion fold bound between two outer cards. It's a fresh form of credit card size print collateral that can accommodate maps, city guides, product benefits and more.
